Sam Houser
Game Engine Developer Junior
Rockstar Games
Carlsbad, California, EE.UU.

Dear Mr Houser,

Are you looking for a game engine developer with:

- 5 years of experience in game engine development?
- Knowledge of the latest technologies in game engine development?
- Excellent abilities of oral and written communication?
- Passion to learn and improve one's abilities?

If you do so, you do not need to look for any longer. As you can see in my attached CV, I have all those requirements and many more.

I would like to talk about opportunities to work with Rockstar. To schedule an interview, contact me on my telephone number 654365239.

The best moment to contact with me is between 10 A.M. and 8 P.M. , but you can leave a voice message whenever you like and I will call you.

Thank you so much for having the courtesy to look over my CV. I hope I will talk to you soon.

Yours sincerely,

Aleix
